Old Business

Boundary Line adjustment

Ron Ford mentioned that he had not received the mylar copy for the boundary line adjustment on parcel 246.-1-23 from his surveyor. He would be moving the property line south 125 ft., this would move the Old Calf Barn and Silo Base on Ron's property. This would be an addition to parcel 246.-1-23.4 the north side would be 150 ft. from marker to marker.

In addition to this Ron Ford mentioned that they would like to subdivide off the shop from the property. This would be on the Eastside of Edie Road, it would be a couple of acres. The Clerk gave him the paperwork to start the process, Ron mentioned that the boundary lines are already there.

There being no business before the Board, the meeting was moved and carried for adjournment at 7:45 PM.

Respectfully Submitted,

Heather Greenawalt - Secretary
